THE CHIEF—Factory Price, \$3, Postpaid

No. 44

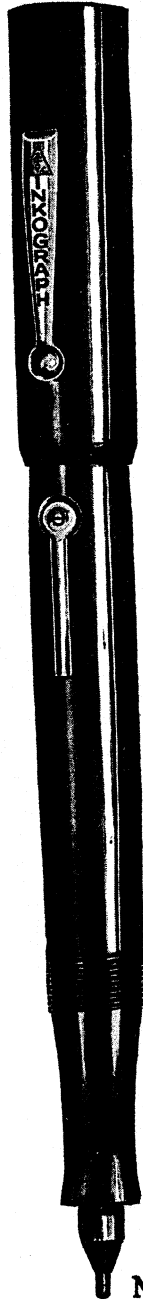

A very rich-looking oversize pen, with highly polished, jet-black barrel, solid gold 14K pen, gold and amber trimmings, and a lifetime guarantee of perfect service. Many prefer a black pen, instead of red or green. This pen will give you a lifetime of writing satisfaction.

THE LEADER—Factory Price, \$1.50, Postpaid

No. 870

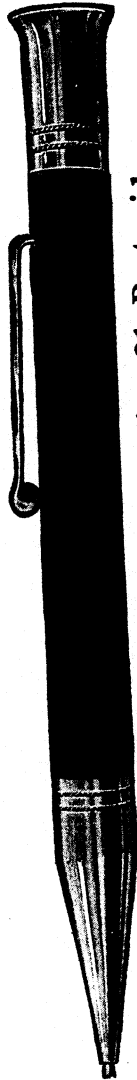

The No. 870 pen is a trifle smaller in size than the No. 44, but made of the same fine materials. It is a sure-fire pen, always ready for action. Writes at first touch to paper. It is balanced just right for easy writing. A smooth, uniform flow of ink is constantly assured. Mechanically it is so constructed that it cannot possibly leak. Here is an excellent pen for only \$1.50 postpaid.

THE WRITERIGHT—Factory Price, \$1.50, Postpaid

No. 871

Here is a new invention, the ink-pencil, that will delight your customers. Has a round, metal point like a pencil but writes with ink. Fills like a fountain pen, and looks exactly like one, but writes much easier and improves anyone's handwriting 100 per cent. Get this ink pencil. It beats any other writing instrument and the cost is only \$1.50.

THE EVERBEST—Factory Price, \$1, Postpaid

No. 872

The Everbest is an oversize mechanical pencil of strong and positive action, both propelling and repelling the lead. Has ample space for a big supply of extra leads which are included. Many times a day a good pencil comes in handy. Here is a very beautiful pencil you'll be proud to carry and show your friends. The plate is gold and the barrel in colored enamel. The special clip holds it firmly in your pocket. Both mechanically and in appearance this pencil would be hard to beat. Our factory price to dealers on this high-grade Everbest pencil is \$12 a dozen or sample pencil will be sent for \$1.
